create a sense of place

# Cabana

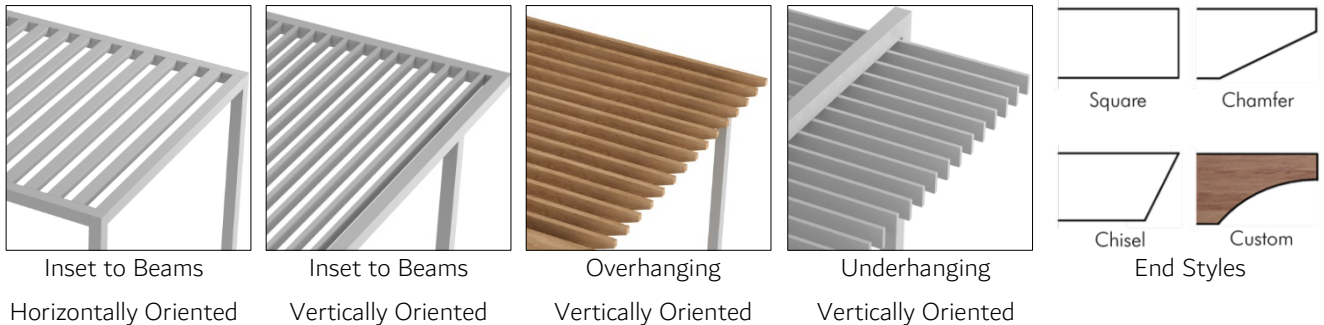

Cabana Sofa / Bench utilize an aluminum frame mechanically fastened using stainless steel hardware and finished with premium polyester powder coating. Sofa cushions are manufactured with premium Sunbrella brand fabrics providing the ultimate resilience and fade resistance for public areas. Hidden straps ensure the cushions are fastened to the frame for high-wind applications.

2388 x 3251 x 2743H (94"x128"x108"H)

Custom Sizes and Layouts Available

Cabana can be specified as single unit or multi-section modular installation.

	in	1.5x3.5	1.5x5.5	3.5x3.5						

## Roof Options

## Privacy Options

## Lighting | Infrared Heating | Power and Charging

All sturdesign shade products can be manufactured to accommodate internal wiring for power supply. We can prepare our products to receive your specified lighting or heating. Our structures can also be prepared for SOLAR PANELS, USB CHARGING and OUTDOOR SPEAKERS - based on your project requirements. Electricians are required to complete installation. Contact your local representative or email [sales@sturdesign.com](mailto:sales@sturdesign.com) for options and specifications.

## Retractable Shade, Curtains and Blinds

Manufactured with Sunbrella or equivalent specified fabrics, our retractable roof panels provide additional shelter from the strongest rays of sunlight. Retractable curtains and blinds offer a more private experience while providing additional sun protection or deflection of cooling breezes. Contact [info@sturdesign.com](mailto:info@sturdesign.com) for options and specifications.

## Finishes

We offer a range of super durable powder coatings in a wide selection of finishes. Please go to [www.sturdesign.com/finishes](http://www.sturdesign.com/finishes).

Smooth Finishes

Textured Finishes

Let us know what color you require or send us a sample and we'll do all the work to ensure the best possible color match. Additional costs may apply, please contact us if you require specific information.

Standard RAL and Color Matching Available

## Installation

Sturdesign's pre-fabricated manufacturing process simplifies onsite assembly and installation. We provide step by step instructions and we supply the tooling heads to engage any optional tamper proof stainless steel hardware. Typical bolt-down installation utilizes wedge anchors or embedded rods, custom site-specific solutions are available.

## Maintenance

Sturdesign structures are designed to provide extremely long service life. The powder coating will provide a high-quality finish for many years. Inspections of mechanical fastenings, including column and building connections, should be conducted yearly and cleaned / tightened as necessary.

# Specification

## Design

*As there are many combinations of options and accessories please contact sturdesign for assistance with the layout, design and complete detailed specifications for your shade structures when required.*

## General

Where indicated in plan drawings or on schedules supply and install aluminum shade structures as designed and manufactured by:

Stur Design Inc.  
Brantford, Ontario.  
Phone 855-207-9669  
Fax 289-207-0341  
Email : sales@sturdesign.com

Structures will be supplied as configured in the plan drawings and will include all components and finishes as specified and required for quality installation

## Submittals

Submit shop drawings to include: key plans; elevations; sections; component profiles; location, spacing and attachment of components. Provide samples of manufacturers finish and color selections.

## Finishes

Provide aluminum structures finished utilizing sturdesign's super durable polyester powder coating. Pre-finish all wood products with a single application of protective coating unless specified otherwise.

*Choose from a selection of standard finishes at [www.sturdesign.com/finishes](http://www.sturdesign.com/finishes), specify RAL numbers or provide samples for matching.*

## Layout Options

## Fabrics

Provide fabric cushions, curtains, roller blinds, tensioned fabric panels and retractable fabric roofs supplied by sturdesign.

*Sunbrella 'Firesist' should be specified for applications that include outdoor heat applications. Choose from a selection of standard fabrics or provide sample for matching.*

## Warranty

Provide 25-year limited manufacturer's structural warranty
